

Rating\_Action: Moody's assigns Aa2 to Salem, OR's GO Bonds, Series 2023

27Jan2023

New York, January 27, 2023 -- Moody's Investors Service has assigned a Aa2 rating to the City of Salem, OR's General Obligation Bonds, Series 2023A (Federally Taxable) with an estimated par amount of approximately \$12.0 million and General Obligation Bonds, Series 2023B (Tax-Exempt) with an estimated par amount of approximately \$88.0 million. Moody's maintains the city's Aa2 issuer rating and Aa2 rating on the city's outstanding general obligation (GO) bonds. The issuer rating reflects the city's ability to repay debt and debt-like obligations without any consideration of any pledge, security or structural features. Following the sale, the city will have approximately \$191.7 million in outstanding GO debt.

### **RATINGS RATIONALE**

The Aa2 issuer rating reflects a growing economy within the greater Salem Metropolitan Statistical Area (Salem MSA) which will likely continue to experience growth and positive population trends underpinned by the cities' presence of being the Oregon (Aa1 stable) state capital coupled with affordable living and business cost environment relative to neighboring cities on the West Coast. The city's financial profile remains strong, supported by a good management team and prudent fiscal practices. We note, though, the credit profile is challenged by a somewhat constrained revenue structure, as state law limits assessed valuation growth. As a result, the city will likely need to augment their core revenue structure to confront near to medium term budgetary challenges associated with a growing population and increased service needs. The rating also considers below average resident income and an elevated leverage profile when compared to Aa-rated peers nationwide.

The Aa2 general obligation unlimited tax rating (GOULT) is at the same level as the city's issuer rating. The rating on the GOULT bonds incorporates the city's general credit characteristics and the full faith, credit and unlimited property tax pledge pledged to the bonds.

### **RATING OUTLOOK**

Outlooks are not typically assigned to local governments with this amount of debt outstanding.

# FACTORS THAT COULD LEAD TO AN UPGRADE OF THE RATINGS

- Materially improved resident income levels
- Sustained moderation in the city's leverage profile

### FACTORS THAT COULD LEAD TO A DOWNGRADE OF THE RATINGS

- Significant increase in overall leverage

- Deficit operations and reduced reserve levels across city-wide funds

### LEGAL SECURITY

The city's GOULT bonds are backed by the city's full faith, credit, and unlimited property tax pledge. Debt service for GOULT bonds in Oregon is funded by a separate property tax levy that is dedicated to bondholders and secured through statute.

### **USE OF PROCEEDS**

The General Obligation Bonds, Series 2023A (Federally Taxable) and General Obligation Bonds, Series 2023B (Tax-Exempt) will be used for various capital improvements and to pay costs of issuance.

### **PROFILE**

Located 45 miles south of Portland (Aaa stable), Salem is the Oregon state capital and the state's second largest city with an estimated population of 179,605 comprising 49.2 square miles in Marion County (Aa2) and Polk County. The city provides a full range of municipal services, including public safety, parks and recreation, streets, planning, zoning and general administrative services.
