May 14, 2020

**SUBJECT: Multi-Modal Safety Crossings
Pringle Road SE at Copper Glen Drive SE
Project Number 718505**

Dear Salem Property Owner/Resident:

Pacific Excavation, Inc. has been awarded the contract to construct pedestrian improvements at five locations in Salem. One of the locations is Pringle Road SE at Copper Glen Drive SE (see enclosed map). The improvements will include a striped crosswalk with new ADA compliant curb ramps and a center island on Pringle Road SE north of the intersection. This project is funded with an Oregon Department of Transportation grant and City matching funds.

Construction activities are scheduled to begin the week of May 18, 2020, with completion by the end of June 2020. Motorists and pedestrians should use caution, as this work will require temporary lane shifting and sidewalk closures on Pringle Road SE. This work may create traffic congestion within the area and users should expect delays.

If you have any questions or concerns regarding this project, please contact me at 503-588-6211 or wkuenzi@cityofsalem.net.

Sincerely,

Will Kuenzi, PE, PLS
Project Manager
