October 10, 2019

**SUBJECT: 25th Street SE Sewer Rehabilitation Project
Project Number 201909**

Dear Salem Property Owner/Resident:

The City of Salem has contracted with Michels Corporation of Salem, Oregon to provide sanitary sewer mainline rehabilitation services for the sanitary sewer main lines between 25th Street SE and 24th Street SE (see attached map). The purpose of the project is to install a pipe liner within the existing sewer lines. During this work, the sewer main lines upstream of the repair work will be plugged to allow these sanitary sewer mains to be rehabilitated.

Construction is scheduled to begin Thursday, October 24, 2019 and last approximately two days. We ask that you limit your water usage during the hours of 9:00 am to 4:30 pm on these two days. There will be flaggers present during construction to help provide vehicle access through the construction zone.

If you have questions or concerns about this project, feel free to contact me at 503-588-6211 or by email at tthomson@cityofsalem.net. Thank you for your cooperation while we complete this project.

Sincerely,

Troy Thomson, PE
Senior Project Manager
