SUBJECT: Notice of Construction—Hickory Street NE Sanitary Sewer Rehabilitation Project Number 714103

Dear Salem Property Owner/Resident:

Iron Horse, LLC has been awarded the contract to perform rehabilitation of aging sanitary sewers along Hickory Street NE and Liberty Street NE (see attached map). This project will install liners within existing sanitary sewer pipes and will require temporary piping to bypass flow during the pipe liner installation process. The improvements are funded by wastewater utility rates.

Construction activities are scheduled to start in mid-July, with completion anticipated by the end of September 2020. The work will require temporary lane closures on Liberty St. NE between Hood Street NE and Hickory Street NE, Commercial Street NE between Tryon Avenue NE and Hickory Street NE, and other adjacent residential streets within the project limits. Motorists and pedestrians should use caution and expect delays. The construction work will be performed continuously, starting each week on Sunday night at 7:00 PM and ending on Friday mornings at 5:00 AM.

If you have any questions or concerns regarding the project, please contact me at (503) 588-6211 or mlinn@cityofsalem.net.

Sincerely,

Michael Linn, PE
Senior Project Manager
