July 13, 2020

**SUBJECT: Multi-Modal Safety Crossings  
Fairgrounds Road NE at Norway Street NE  
Project Number 718505**

Dear Salem Property Owner/Resident:

Pacific Excavation, Inc. has been awarded the contract to construct pedestrian and bicycle improvements at five locations in Salem. One of the locations is Fairgrounds Road NE at Norway Street NE (see enclosed map). The improvements will include striped crosswalks across Fairgrounds Road NE with new ADA compliant curb ramps, bicycle safety enhancements, and a center island on Fairgrounds Road NE. In order to enhance pedestrian and bicycle safety, motorists will no longer be able to cross Fairgrounds Road NE at Norway Street NE, make left turns from Fairgrounds Road NE onto Norway Street NE or from Norway Street NE onto Fairgrounds Road NE. This project is funded with an ODOT grant and City matching funds.

**Construction activities are scheduled to begin the week of July 20, 2020, with completion by the end of August 2020.** Motorists and pedestrians should use caution, as this work will require temporary lane shifting and sidewalk closures. This work may create traffic congestion within the area and users should expect delays.

If you have any questions or concerns regarding this project, please contact me at 503-588-6211 or [wkuenzi@cityofsalem.net](mailto:wkuenzi@cityofsalem.net).

Sincerely,

Will Kuenzi, PE, PLS  
Project Manager
