OWNER/APPLICANT:	Mark Mazurier on behalf of Willamette University
PROPOSAL REQUEST:	A Sign Adjustment and Sign Permit to install a new freestanding sign at Willamette University, a 16-foot metal sculpture on a concrete base, for property approximately 34.3 acres in size, zoned PE (Public and Private Educational Services), and located at 850 State Street - 97301 (Marion County Assessors Map and Tax lot numbers: 073W26BC / 04500, and 073W27AD / 00400, 00900 and 01000).
TEMPORARY HEARING PROCEDURE:	<p>The hearing will be conducted with the staff presentation first, followed by the applicant's case, and questions from the Hearings Officer. Due to the Covid-19 pandemic, testimony from neighborhood organizations, persons in favor or opposition, and rebuttal by the applicant will be limited to written testimony. The applicant has the burden of proof to show that the approval criteria can be satisfied by the facts. Opponents may rebut the applicant's testimony by showing alternative facts or by showing that the evidence submitted does not satisfy the approval criteria. A hearing is not a venue to ask questions of staff, the applicant or the decision maker(s) on this case but rather an opportunity to provide testimony to the decision maker(s) on the merits of the land use case; questions about the application, the recommended conditions of approval, or the Planning Administrator's recommendation, should be directed to the Case Manager prior to the hearing.</p> <p>Any participant may request an opportunity to present additional evidence or testimony regarding the application. A ruling will then be made to either continue the Public Hearing to another date or leave the record open to receive additional written testimony. Failure to raise an issue in person or by letter prior to the close of the Public Hearing with sufficient specificity to provide the opportunity to respond to the issue, precludes appeal to the Land Use Board of Appeals (LUBA) on this issue. A similar failure to raise constitutional issues relating to proposed conditions of approval precludes an action for damages in circuit court.</p> <p>Following the close of the Public Hearing a decision will be issued and mailed to the applicant, property owner, affected neighborhood association, anyone who participated in the hearing, either in person or in writing, and anyone who requested to receive notice of the decision.</p>
MORE INFORMATION:	Documents and evidence submitted by the applicant are available for review and paper copies can be obtained at a reasonable cost. You can also find out more information about the status of the proposed application on the City's online Permit Application Center at https://permits.cityofsalem.net .
