

VOLUNTEER TODAY AND HELP US PUT COMPASSION IN MOTION

VOLUNTEER OPPORTUNITIES

DROP IN DAY CENTER

Provides supportive services and resource navigation for unsheltered adults including meals, showers, laundry, mail service, hygiene items, pet food, medical and mental health services. Volunteers are invited to help prepare and serve meals during our meal periods.

MOBILE SHOWER TRAILER

This unit provides shower and hygiene services to homeless individuals throughout the community. Volunteers are invited to help us check in guests, and clean shower stalls between users to ensure a safe, sanitary shower environment.

EMERGENCY SHELTERS

These life saving low barrier shelters are routinely opened between November-March when temperatures drop below 32 degrees. Volunteers are encouraged to sign up for these opportunities on freezing cold nights to get people in out of the cold, orientate guests to the shelter, serve snacks, and conduct regular cleaning throughout the facility.

ABOUT THE ARCHES PROJECT

A program within the Mid-Willamette Valley Community Action Agency, we offer a diverse suite of services which utilize research based practices such as housing first, trauma informed care, and harm reduction. We're working to reduce homelessness in our community through the provision of housing, shelter, and basic need services for people experiencing homelessness or housing insecurity.
