

Income Eligibility Determination

Income eligibility determination will be conducted using the HUD Income Eligibility Calculator. The calculator can be found at <https://www.hudexchange.info/incomecalculator/> .

The Income Eligibility User Manual can be found at https://files.hudexchange.info/resources/documents/CPDIncomeEligibilityCalculator_User_Manual.pdf .

Use these resources to conduct income eligibility, then print and maintain these documents for the required period of time according to this agreement. The current City of Salem policy is to retain records for five years following close out of the program.
