APPLICANT / AGENT(S):	Grid Property Management LLC (Steve Kreitzberg, Kohle Kreitzberg)
PROPOSAL / REQUEST:	A consolidated application for a Conditional Use Permit to allow gravel surfacing for off-street parking and vehicle use areas, with a Class 3 Site Plan Review and two Class 2 Driveway Approach Permits to establish an industrial storage yard for warehousing and distribution uses, and a Class 1 Adjustment to reduce the required driveway spacing standard of 370 feet for a driveway approach along McGilchrist Street SE, a Major Arterial Street (SRC 804.035(d)). The subject property is 7.4 acres in size, zoned IG (General Industrial), and located at 1865 McGilchrist Street SE (Marion County Assessor's Map and Tax Lot Number: 073W35CA / 301).
HEARING PROCEDURE:	<p>The hearing will be conducted with the staff presentation first, followed by the applicant's case, neighborhood organization comments, testimony of persons in favor or opposition, and rebuttal by the applicant, if necessary. The applicant has the burden of proof to show that the approval criteria can be satisfied by the facts. Opponents may rebut the applicant's testimony by showing alternative facts or by showing that the evidence submitted does not satisfy the approval criteria. A hearing is not a venue to ask questions of staff, the applicant, or the decision maker(s) on this case but rather an opportunity to provide testimony to the decision maker(s) on the merits of the land use case; questions about the application, the recommended conditions of approval, or the Planning Administrator's recommendation, should be directed to the Case Manager prior to the hearing.</p> <p>Any participant may request an opportunity to present additional evidence or testimony regarding the application. A ruling will then be made to either continue the Public Hearing to another date or leave the record open to receive additional written testimony. Failure to raise an issue in person or by letter prior to the close of the Public Hearing with sufficient specificity to provide the opportunity to respond to the issue, precludes appeal to the Land Use Board of Appeals (LUBA) on this issue. A similar failure to raise constitutional issues relating to proposed conditions of approval precludes an action for damages in circuit court.</p> <p>Following the close of the Public Hearing a decision will be issued and mailed to the applicant, property owner, affected neighborhood association, anyone who participated in the hearing, either in person or in writing, and anyone who requested to receive notice of the decision.</p>
MORE INFORMATION:	All documents and evidence submitted by the applicant are available on the City's online Permit Application Center at https://permits.cityofsalem.net .
