For Healthy Habit Challenges, you'll select the habit you want to work on, write a personal message and get it started.

Step 2

Now that your challenge is set up, invite others to join! Select **Invite Players**, and you'll have the option to invite from your friends list, search for friends or invite a Group. You can also add an email list of up to 250 people.

Things to explore:

Chat

If you invited others to join your challenge, connect and share images or tips on how to build habits and stay active via the challenge Chat feature.
