

# CONGESTION RELIEF TASK FORCE

A Technical Review of Transportation Infrastructure Options

## Share Your Ideas!

With traffic levels hampering downtown circulation and long delays in west Salem, residents are asking for transportation infrastructure improvements. The Task Force will investigate potential ways for the City to relieve congestion in the project area and advise the City Council on policies and actions to improve traffic flow (see back page for map). **From February 24 to March 10, the City of Salem welcomes your ideas on possible solutions.** The City will then conduct a technical analysis to evaluate traffic options that can happen in the near-term. The City will share the results of the technical analysis and a list of recommendations for public comment later this year.

**Please mail a printed copy of this survey to : Public Works Department, Attn: Congestion Relief Task Force, 555 Liberty St SE, Room 325, Salem, OR 97301-3513. Postmark by March 10.**
