**INFORMATION REPORTS**

- *Center 50+ Director's Report*

Director Daily invited present commission members to tell what is current at their partner agencies or work areas, then distributed her Director's Report dated March 5, 2018. The Director went over highlights on Age Friendly Initiative, Building Security, Respite Program, Lifelong Learning, Computer Lab and the very successful Technology Workshop.

Health & Fitness Coordinator Kanoe Barth gave the Fitness update, highlighting classes that are popular now and equipment replacement. Director Daily distributed final hard copies of the C50+AC 2017 Annual Report that was presented to City Council.

- *Friends Fund Raising*—Director Daily reported in absence of Friends partner. Friends has exceeded their fundraising goal for this fiscal year. This has been accomplished mainly through the travel program, boutique, bingo and private donations and gifts. Director Daily reported the bus that was gifted for the travel program is ready, and she would like a pool of at least three CDL-licensed drivers for trips.
