Ken Betterton		E	Nicholas Ritchie			P
City Councilor	No councilors or speakers.					
Speaker						
Discussion Items	Ken H. discussed numbers of unsheltered people and concerns about Covid. About 40 have moved to Marine Wallace Park, 25-30 at Cascade Gateway. 88 households have been placed in motels. Nancy: Council approved the Jory Apartments TIF District but want the city to look into increasing the number of units. The final agreement with specifics will go to the Council this summer.					
Motions and Actions	Nancy: we received notice from Isaac's Room that they will apply to turn the brick house at 14 th and Chemeketa into a room and board to house up to 10 boys. Ken H. supports their mission of mentoring and apprenticeship for youth and wants to support the application. Laura: the plans received yesterday show only that it will be a change of use; no changes to the site. Ken H moved to support the application, once it's deemed complete and as long as the submitted plans don't differ from what we received from Isaac's Room. Nancy seconded. Approved unanimously.					
Treasurer's Report:						
Meeting adjourned: 7:30 pm
